

Friends and Family Comments June 2025

RESULTS: 175

- Easy to get an appointment and good diagnosis and advise given
- Good
- Because he welcomed me happily
- Was in and out in 10mins
- I turned up to the surgery 40 minutes before my blood test appointment and was seen straight away
- Able to get sane day appointment. Professional, pleasant, polite helpful receptionist. Doctor was polite and gave thorough consultation
- Because excellent service
- Vein found straight away and bloods were taken quickly
- Amazing service and seen on time
- Rebecca was a lovely person very understanding and so kind
- Doctor Jeyam is all way very pleasant , and explains thing to you
- Considerate consultation
- The nurse was very good
- Very helpful
- At the moment advised that only if my knees have degraded enough as determined from xray will I be offered an operation replace knee joints
- The lady who was doing the bloods was very arrogant. Bruised my arm which never happens. And very awful experience. No people skills
- I got an on the day face to face appointment
- Didn't wait long
- Everything went OK
- The nurse is friendly and efficient. And did all that was needed
- The nurse was very good
- Friendly, pleasant, knowledgeable and listened. I came away having answers to my questions and felt that I had been given lots of information on how to help myself going forward
- On time
- I saw Rachel last year and she asked me the same questions. If I'm sleeping, eating and drinking alright. I said yes
- Although I waited 15 minutes after my appointment time Dr Murzova was easy to talk to, non judgemental when I disagreed with her
- Excellent service all round, very satisfied with this surgery and all doctors, nurses and receptionists. Keep up the good wor
- More than fantastic
- Very good as always
- Appointments on time and both Nurse and Doctor were very constructive and gave options for solutions going forward
- As it was good and informative
- Just a relaxing experience
- Excellent service xxx
