- Friendly, helpful, was encouraging rather than condescending
- I am very happy with the whole practice, reception service excellent, good listeners. Drs in the practice all great. Recently I have been under the care of Dr Kahturia very professional and very thorough with medical examination, Dr Kahturia very swiftly dealt with my issues and referrals etc. Thank you all so much at the practice
- Overall just great
- Dr Umar very kind, attentive and patient not only today but on all the occasions I have had an appointment. Wish him all the best for the future
- Was very friendly and made me feel relaxed
- I am sad because the doctor didn't help me manage my testosterone results. Everywhere I look, it says this level is critically low: Testosterone: < 0.1 nmol/L. Why is nothing being done about it
- Great experience, thank you for your help
- The nurse was lovely made me feel at ease
- Because I visited there everyone are very friendly and polite
- I called this morning and was offered an appointment for an hour later. Amazing
- Very welcoming environment
- Went in with lots of pain doctor sorted tablets quickly for me and gave me water to take the tablets straight away
- Always on time
- The nurse was very good
- Took her time and made me feel was listening to me
- Lovely phlebotomist, professional and gentle. Thank you
- Great work
- Very honest and professional
- Always very helpful polite understanding try there hardest to give you appointment
- Top class
- Appointment straight away and very good communication
- Doctor gave me a fit note as they are aware of my medical conditions and she also referred me to the respiratory team
- Very good doctor and staff and good caring very kind very understanding all doctor and receptionist. I like to say thank you to Dr Jeyam and Jesudas surgery staff and doctor
- Very friendly staff just one problem wait time over your appointment that is all
